

Funding information | Update from Fáilte Ireland.

Due to the ongoing challenges facing the Irish Tourism industry, Fáilte Ireland has refocused its funding for the next academic year 2009-2010.

Fáilte Ireland will continue to offer financial support through the payment of **tuition and capitation fees for our students**. However, we will no longer provide student grants, commencing with all first year students in the 2009 – 2010 academic year.

Please note students progressing to years two or three of our courses will continue to receive grants.
